

Electronic Communication by Board Members

An exchange of information by audio, video, or electronic medium, including the internet, by a quorum of the Bon Homme Board of Education and when official business of the school district is discussed or decided, or public policy is formulated, is subject to Bon Homme policy BDS, and open meeting laws.

1. Board members shall not use electronic communication as a substitute for discussion or decision-making at regular or special Board meetings open to the public.
2. Board members shall not use electronic communication to discuss or reach a consensus, majority opinion, or unofficial decision, related to School Board business.
